**What is the vision behind EOSC-hub?**

EOSC-hub is a 33 million euro H2020 project that started in January 2018 with the involvement of over 100 institutes.

The project brings together multiple service providers to create the Hub: a single contact point for European researchers and innovators to discover, access, use and reuse a broad spectrum of resources for advanced data-driven research.

**About EOSC-hub**

EOSC-hub is funded by the European Union’s Horizon 2020 research and innovation programme under grant agreement No. 777536.
