

Dissemination Activities

The table will cover all dissemination activities undertaken by the tasks/work packages. Keeping this table up to date will facilitate all downstream reporting activities.

Types of activities:

Please select from: Presentation - Invited keynote - Panel discussion - Journal paper - Conference paper - Poster - Training event - Webinar - Blog post - News item - Newsletter article - Publication - Interview - Exhibition booth - Other (please specify)

Related project result: all activities should be linked to a project result. WP3 will produce a full catalogue of project results. While we don't have one, please select an item from the [expected project results table](#).

List of KERs to choose from:

KER_external_services; KER_SMS; KER_RoP; KER_internal_services; KER_DIH; KER_business_models; KER_marketplace; KER_interoperability; KER_training.

Type of audience:

Please select from: Existing User Communities (e.g. our competence centres) - Resource Providers - Scientific Community (prospective users) - SMEs and Industry - Civil Society - Policy Makers - Funding Agencies - EOSC-hub partners - Media - Other (please specify)

This page is harvested regularly and older entries are harvested in a separate [google spreadsheet](#).

WP9 dissemination activities collected here: [WP9 Dissemination](#) (contains all activities added up to 31 Dec 2019)
